Thoughts from Pastor Michael

What a busy and blessed month we had in June! Again, I want to thank all that were involved in making VBS so fantastic! There were several children who prayed to receive Christ as Lord and Saviour. Along with Terry, (see his article) I want to thank Mary Zarosky for directing VBS, and also Denise Trabucco for leading our youth camp! At the time of this writing, the church has not heard about the camp, but it was wonderful! The theme was revival! We Appreciate all the adult campers who went away this past week to be with our students! I also want to thank our Family Ministry Assistant, Christie Davis for helping to guide our children and youth ministries! Again, what a great month of blessings that the Lord has provided!

I love the 4th of July! As I think of this wonderful holiday, I want to share a few verses. Psalm 9:17 says, "The wicked shall return to Sheol, all the nations that forget God." Psalm 33:12 says, "Blessed is the nation whose God is the Lord, the people whom he has chosen as his heritage!" Psalm 11:3 says, "If the foundations are destroyed, what can the righteous do?" We can see the foundations of our country being destroyed. I believe the answer to the question of Psalm 11:3 is that the righteous get busy in seeking the Lord, sharing the gospel, and living in the power of the gospel so that others see the genuine effects of Christ in our lives. That is what the apostle Paul did, and it is described in 1 Thes.1:5-9. If you read that passage you will see that a whole nation was impacted by Christ through His people! (Macedonia and Achaia were the 2 regions that made up the nation of Greece.)

At the turn of the 19th century, when the forces of lawlessness were let loose in England, William Wordsworth paid tribute to John Milton by writing, "Milton! Thou shouldst be living at this hour: England, hath need of thee... Oh! Raise us up, return to us again; and give us manners, virtue, freedom, power."

America needs you and me to stand as an ambassador of Christ. The Lord has put us here "for such a time as this." (Esther 4:14) May we be seeking Him and His Reviving power!

In closing, Robin and I want to thank you for all the encouragement and prayers since her dad passed away! We appreciate you being our church family so much!

Thanks for letting me be your Pastor! *Michael Funderburk*

TERRY'S NOTES

Happy July, everyone! I hope your summer has been amazing, so far! My summer has been great, and I'm looking forward to more exciting things ahead for my family and I; maybe a couple of road trips and a few days staying at a time-share at one of our South Central Texas lakes is planned for us in early August.

Just a few words about our previous V.B.S.: "IT WAS AWESOME!" That is my few words! Seriously, it was a great week! It was reported that we had about 90 children during that week. I really want to thank our V.B.S. director, Mary Zarosky, for her leadership this year! She did an outstanding job planning and recruiting individuals to lead and decorate. It is so cool to see God's people come together to lead and teach children of all ages about our Savior! Everyone had a very significant role in V.B.S. this year! Thank you! Thank you! Thank you! One of the most exciting happenings that came from V.B.S. week, was the 16-20 4th and 5th graders who responded to the invitation of salvation. Pastor Michael met with them one day that week, and 16-20 expressed their desire to follow Jesus. Pastor Michael plans to follow up with each child concerning their decision. This is so exciting!

The last thing I want to share with you in my July article, is something that is not easy for me to mention. Sandra and I have been serving at F.B.C. Floresville for over 21 years. We began on June 1, 2003. We can honestly say that our 21 years at F.B.C. Floresville has been a wonderful, wonderful, wonderful journey! To us, it feels like we joined you folks just yesterday. Anyway, we have been so blessed and grateful that our Heavenly Father allowed us to minister with you these past 2 decades!

Not only have we ministered with you, but you have become part of our family!

As many of you know, I am at retirement age, and unfortunately, my health is hinting to me to consider slowing down some. Sandra retired a few years ago; however, Sandra and I both are convinced we need to step aside from a few things, not just because we are falling apart, but we also want to take time to enjoy a few things retired people get to experience, while we have the ability to do so.

Ok..here it goes.....On January 1, I plan to retire and step down as your full-time worship pastor. I have been so blessed and honored to have been part of this great ministry. I know that the Lord will continue to bless F.B.C. Floresville for years to come. We have a very godly Pastor, who loves the Lord and who obviously loves people. I firmly believe that F.B.C. Floresville will be able to reach out to the community and county with the Gospel, like never before! My prayer is that our church will join together, like V.B.S. week, and love our neighbors and lead them to Christ. And, then make disciples. We are already experiencing this; however, we have just gotten a taste.

Folks, just know that we love you!

Pastor Terry Smith

A word from the Deacons

Hello, and prayerful greetings to each of you brothers and sisters in Christ! It is such a joy to have regular fellowship with you all at the blessing we call First Baptist Church Floresville. But by the way, how did it get to be July so quickly? Seriously, Judy and I cannot express in words the pleasure it is to be out front to greet all of you as you come in and as you leave after our worship service. Visitors and new members are a real thrill, too. The fellowship of believers is so important and so necessary for the uplifting and encouragement of all, and especially for learning and tending to the needs of those of us experiencing struggles in life.

God's Word speaks so many times I cannot count about the importance of fellowship of believers. "And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching." (Heb. 10:24-25). We are to exhort and strengthen each other in the presence of Our Father. This scripture from Hebrews is about the most straightforward text about the necessity of believers gathering regularly for corporate worship, instruction, encouragement and for good works. We were not created to grow in isolation. We are to support one another.

Also, in Acts 2:42, The Word states "And they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers." For our faith to grow and not become stagnant we need instruction, correction, worship, encouragement and prayer with and from others in our church family. A solitary life of faith is hard for me to imagine. I happen to know that any deacon at FBCF would drop everything day or night and come to the aid of anyone that needed him for any reason.

Another kind of fellowship is called prayer. We are to grow in a beautiful personal relationship with our Father, and prayer is the way to Him. Prayer, and also, a regular time of quiet meditation and bible study is the way I get to start each day looking for His guidance, protection, success and understanding. Talking to the Father is a blessing beyond words, and also listening to Him is just as much a blessing. Just think, He knows our every thought, hears our every word, and watches everything we do. I must be in communication with The One who created each one of us. And not just for myself, but for my brothers and sisters in Him. I pray many times daily for members of FBCF, and I am learning more and more the importance of a simple phone call that can bless someone's day as well as mine. We should all make moments count, make time, make a nobody feel like somebody, make small things big, make someone smile, make the change, make love, make peace, make people know they are loved and special (they are to our Father).

Each one of you is special to the deacons, and we are here to serve you and tend to your needs. Please call one of us if we can help in any way. Thanks!

Bob Whitley

PS. 32:8

My prayer is that this information will be a blessing to you all, brothers and sisters, and that our servant ministry as deacons will edify God's church as it grows and reaches out to this community.

Sincerely,
Bob Whitley
