# Thoughts from Pastor Michael

Dear Church Family,

Before I begin my devotional thoughts, I want to encourage everyone to reach out to Zoe and Jessica this month and encourage them for all the work they do for our church family. April 23rd is Administrative Assistant day. Zoe is our office Manager, and Jessica assists her! You both are so wonderful! I appreciate you ladies so much, not only for what you do, but how you do your ministry!

Of course, this month is Good Friday and Resurrection Sunday! This year we are going to have a Good Friday service. It will be at 6 p.m and last about 30 to 45 minutes. We will have opportunities to praise, share in the Lord's Supper, and have a brief message helping us to focus on what our Lord has done for us. I hope this will begin a new tradition for all our families to come together on that precious day and adore our Lord for what he did for us at the cross! Oh how He loves us! Spread the word!

The events of Good Friday and Resurrection Sunday are not just events that occurred 2000 years ago. They are events that have happened to us as Christians! The results of the death and resurrection of Jesus have been applied to us. This is described in Romans 6.3-4. It says, "Or do you not know that as many of us as were baptized into Christ Jesus were baptized into His death? Therefore we were buried with Him through baptism into death, that just as Christ was raised from the dead by the glory of the Father, even so we also should walk in newness of life." Those verses are not talking about water baptism. It is talking about the Holy Spirit doing the work of baptizing or submerging us in a spiritual way, into the death, burial, and resurrection of Christ. Water baptism is a symbol of that. When we receive Christ, He baptizes or submerges us into His Spirit.(Mt. 3.11) The Holy Spirit baptizes or submerges us in the body of Christ.(I Corinthians 12.13) Romans 6.3-4 refers to that passage. As a result, we have died to the penalty of sin, released from the bondage of sin, and have become a new creation with the new life of Christ within.

So, the death and resurrection of Christ, Good Friday and Resurrection Sunday, have everything to do with us right now. A.W. Tozer said, ": "To those early christians, Easter was not a holiday or even a holy day. It was not a day at all. It was an accomplished fact that lived with them all year long and became the reason for their daily conduct. "He lives," they said, "and we live. He was triumphant, and in Him we are triumphant. He is with us and leads us and we follow." "They turned their faces toward an altogether new life because Christ was raised from the dead. They did not celebrate His rising from the dead and then go back to their everyday lives and wait for another year to pull them up from out of the mire. They lived by the fact that Christ had risen from the dead and they had risen with Him."

Amen! Christ has died to the penalty and power of sin, and so have we. Christ is alive, and so are we! May we live everyday as a picture of a person who has truly died to an old life but now lives with the resurrected life of Jesus Christ Himself! The world so desperately needs to see this kind of life!

Thanks for you for letting me be your Pastor!  
In His Life,

*Michael Funderburk*

Howdy! I hope y'all are doing well! Except for 2 arthritic knees that need to be replaced, I am doing mighty fine! Thanks for asking! I am writing this little article before the rains come on March 27 and 28, and hopefully it will soak our area, and I am being very optimistic that we will be very blessed. Even if the rain decides to miss our drought-stricken area, we are very blessed! Can I hear an Amen? Amen!!

Speaking of arthritic knees, I finally plan to have knee replacement on my right knee, and I am pretty sure that the left knee will be replaced some time later in the year. I have always been told to not have both knees replaced at the same time, so I am going to take several individuals' advice and have my knees replaced on different dates. Because of surgery, recovery, and therapy, I am seriously considering stepping down during part of the summer as your worship pastor. I really need some time to recover, so I can run at the next Boston Marathon. Just kidding! I sincerely need some time to heal and get better. I have been putting knee surgery off for at least 2 years; I just need to get it done. I am not certain how long I will step aside, but I appreciate your prayers and understanding. God has blessed us with several great individuals who can lead worship during my absence. I appreciate their willingness to always step in when I have been gone or ill. I plan to serve actively as your worship pastor until May 31.

THANKS TO OUR BUS MINISTRY WORKERS!!!!

*Pastor Terry Smith*

I want to thank the following individuals who have been very faithful to serve on our bus ministry. I want to especially thank Jason Sellers for his commitment to pick up folks on Sunday mornings from the Veteran's Home, Floresville Nursing Center and a few homebound. We appreciate Tom Stringer who is currently assisting Jason on Sundays. Jason also drives and picks up students from the North Elementary on Wednesdays. Pastor Michael is greatly appreciated, too, since he assists Jason. Thanks to Jeannie McCarville and Daniel Hargrove for assisting me with the South Elementary, Middle School and High School students. Your participation in this ministry is so important, and it is so appreciated!

### A word from the Deacons!

*The Month of April is special for Easter is on the 20th, and He has Risen, so let's take the time to listen to the message of His love for us.*

Moment to Refresh: Proverbs 19:20-21, "Listen to counsel and receive instruction, that you may be wise in your latter days. There are many plans in a man's heart, Nevertheless the Lord's counsel—that will stand." We need to listen to counsel and receive instructions, we learn by listening from others have been through we can learn from. God has instructions from His word, we need to spend time meditating in His word from that we can learn to be wise in latter days when we need His word. The plans we take the time by prayer and meditating becomes the plans in our heart when the time comes. From this we learn about His counsel, and we see it will stand when others fall.

# PRAY for VBS

Our VBS leadership team  
is already working to  
prepare for VBS! Please  
keep all those leaders and  
the children's lives they  
will reach in your prayers.

## WE LOVE OUR TEAM!

Want to get involved in Kids Ministry?

There are always opportunities for service to FBCF's families! Contact Christie Davis at 210-861-1292 or another member of the Family Ministry Committee so we can talk about FBC's opportunities to serve.

What comes next? For your protection and for the safety of our children, we ask our volunteers to complete the following **FOUR SAFETY STEPS**:

1. Attend FBC Floresville for at least six months and have a conversation with a leader in the department about your willingness to serve.
2. Complete some introductory paperwork; review and agree to comply with FBCF's Children's Ministry Policies.
3. Submit to and pass a criminal background check.
4. Complete an hour-long Sexual Abuse Awareness Training video course.

Please prayerfully consider where God will have you serve. Training is available! And remember, our policies dictate that there will always be at least two teachers in a classroom, so you'll never be alone. Age-appropriate, biblically-sound, and FUN curriculum is also provided.

The New Life Ministry supports young women who are pregnant or new mothers, especially those entering this new phase of life unexpectedly. Through this ministry, FBCF demonstrates Christ's love for these women by being a welcoming church family. The women receive mailed cards, offers of donated (like-new) maternity and baby items, texts that invite them to church events, and encouraging invites to coffee meet-ups. Contact Jewel Gleeson (830-391-3595) for more info, or if you feel led to help serve in this ministry.
